## Water Treatment Operator

Plant Operation & Maintenance Overview

Town of Windsor, CA

**Address:** 8400 Windsor Road, Windsor, CA 95492

**Dates:** April 25, 2017

**Contact Hours:** 7

**Time:** 8:00 AM – 4:00 PM

**Cost:** \$100

**Purpose:**

This class earns seven contact hours for renewal of CA SWRCB Water Treatment & Distribution operator licenses. It also helps with preparation for water treatment operator examinations.

### Principles of Water Treatment Plant Operation

Upon completion of this class, attendees will demonstrate the ability to describe the production of safe drinking water including pre-treatment, coagulation/flash mix, flocculation, sedimentation, filtration, disinfection, and post-treatment, as well as detail the operation and maintenance of the various components commonly used for these purposes.
